Shear Ego International School of Hair Design prioritized awarding of the Emergency Financial Aid Grants to its students in the following manner:

Shear Ego International School of Hair Design required that a student or recent graduate complete the Free Application for Federal Student Aid (FAFSA), if they had not done so already, to prove that he or she is eligible to participate in the Title IV programs under section 484 in the Title IV of the Higher Education Act of 1965, as amended (HEA) [20 USC 1091(a)]. The FAFSAs used to establish eligibility were either 2019/2020 FAFSA or 2020/2021 FAFSA depending on the student's program start and/or graduation dates.

Under Section 18004(a)(1) of the CARES Act, 74 students out of the 143 eligible students received awards in the amount of \$795.37 each. Shear Ego International School of Hair Design made the Emergency Financial Aid Grant available to students who were currently attending and eligible program and were maintaining satisfactory academic progress or had graduated from an eligible program between March 13th, 2020 and June 30th 2021 and whose financial situation had been disrupted by the impact of the COVID-19 pandemic.
